**Re:           Movie Star Muscle Cars Inc., Gary Pronman, and Daniel Pronman  
              vs. Yourself  
              Our file: 3434.1**

---

Sirs,

We are the attorneys of Movie Star Muscle Cars Inc. Gary Pronman and Daniel Pronman who have instructed us as follows.

As a result of a dispute between yourself and Movie Star Muscle Cars Inc., for which you have apparently filed legal papers in Broward County Florida, you have engaged in a campaign of defamation and character assassination of our clients, and particularly Movie Star Muscle Cars Inc. and Gary Pronman.

While our clients feel that they have a legitimate defence to your claim and intend to urge such defence within the context of the legal proceedings, the manner in which you have defamed our client on the internet with malicious and unjustified accusations has caused, and is causing, damages to their reputation, and as well violating our clients rights, including the right to privacy and particularly as regards the personal residence of Mr. Gary Pronman.

Our clients believe that your intention in this matter is to unjustly harass Mr. Gary Pronman and his company, in order to cause him to settle the litigation, and to cause harm to the business of our clients.

You are well aware of the actions you have taken including the setting up of an Internet site <http://www.garypronman.com> with the avowed intention of creating harm to our clients.

As a result of your unjustified actions, our client intends to institute legal proceedings against you in Canada claiming the sum of \$500,000.00 for damage to their reputation, libel and defamation. In addition unless you cease and desist from these actions, terminate the existence of the website <http://www.garypronman.com> and issue the appropriate apology to our clients, and this within ten (10) days of the date of the present letter, our clients shall institute the necessary legal proceedings without further notice, and/ or delay.

**DO GOVERN YOURSELF ACCORDINGLY.**
